We invite you to be in communication with us if you have any questions or concerns.

All students must be fully potty trained and independent in the bathroom. We will take great compassionate care of your child, but kids who soil themselves must be able to change themselves or a parent will be called for assistance.

Accommodations

Everyone has certain accessibility requirements to succeed. Please contact us before the first day of camp so that we can best accommodate you or your student's needs. We are not able to provide 1:1 student to teacher care.
